

JANUARY 2026  
LOUISIANA  
ALPHA DELTA KAPPA

2026 is Full of Possibilities!

January always gives us the opportunity to see all of the new and endless opportunities that a new year brings. I personally love to travel and like to take time to see what trips are already planned for the new year and what trips I can add in. The ones I add in tend to involve time spent with family and friends.

As I look ahead, I am excited to spend time with my Louisiana sisters at our state convention in March. For some this is a day trip and for others, they will travel over 6 hours. I can't wait to see you! In addition, our regional conference will be at the JW Marriott in New Orleans in July. We will need to show sisters from other states how we have fun in Louisiana. More information will be coming this spring.

# LACUE Success

Gerri Settoon did an outstanding job of manning a booth at the statewide LACUE conference. She generated a list of over 50 participants who signed up for door prizes. Chapter presidents have been sent the list and encouraged to make contact with these educators.
