How to determine Chapter Delegates:

Delegates to the State Convention are each State Executive Board Member, each District Chairman, State Committee Chairman, and each Chapter President or her alternate. Each chapter is allowed one (1) delegate for every ten (10) members.

Example: 24 members - 2 delegates

25 members - 3 delegates

If a chapter member is on the State Executive Board Member, District Chairman, State Committee Chairman, or Chapter President, **Do not count** them as one of your assigned chapter delegates.

Example: LA Alpha Chapter has State Treasurer Agnes, Chapter President Marion, and a total of 27 members. They would have five (5) voting delegates - Agnes, Marion, and three chapter members.
