OH, THE PLACES ALPHA DELTA KAPPA WILL TAKE YOU!

## JULY 2022

President's Log

Twenty-three Louisiana sisters are planning to attend the 2022 Gulf Regional Conference in Jacksonville, FL. We are all so excited to see other sisters throughout the Gulf Region. The Gulf Conference workshops contain educational, professional, and Leadership development opportunities. We will learn much to bring back to the state leadership training.

I pray for safe travel for all sisters as they attend Regional conferences. I look forward to seeing the Louisiana sisters at the State Leadership Workshops. **Please remember to register below with the link provided.** If you have any questions, please do not hesitate to contact me or any other state officer. *We are here to help.*

With sisterly love,

Leslie

## THE LONGEST DAY 2022

Thank you so much to the individuals and chapters that have donated to Leslie's Adventure Team 2022 in the fight to end Alzheimer's. To date, we have raised \$1086. A big jump start on the total was compliments of our state delegates at the 2022 State Convention in Bossier City in March. It is still not too late to donate. You have until August 31st. Every penny counts!

How can you donate? You can go to the website and look for our team name and make a donation on the web. You can also send me a personal check, and I will log it into the website for you. My address is :

The number of people in Louisiana aged 65 and older with Alzheimer's totaled 92,000 in 2020. By 2025, it is estimated that the number will reach 110,000 individuals. That is an estimated percentage change of 19.6%. It will continue to strain our workforce, caregivers, and health care systems.
