

SEPTEMBER 2025

LOUISIANA ALPHA DELTA KAPPA

A New Alpha Delta Kappa Year!

September has arrived and everyone is settling back into their yearly schedules with Alpha Delta Kappa. First meetings have happened or will in the next week or two. It is always so good to catch up and interact with sisters we might not have seen over the summer months. I hope you take a moment to enjoy the friendships and the sense of homecoming you feel when you join back together. As you look ahead to this year with Alpha Delta Kappa, go ahead and put those meeting dates on your calendar. I hope you will make your ADK sisters a priority. Some ways you can do this: Plan to join in your district's Founder's Day event in October, our state convention in Bossier City in March, and our Regional Conference in New Orleans next July. All will be great ways to make new memories and continue to build relationships.

Excellence in Education

Please nominate an educator in your chapter.

ADK is a sisterhood that recognizes excellence in education.

The Excellence in Education Award is designed to recognize members who are active educators (currently employed) for their outstanding contributions to education. This award is our highest honor, and it increases visibility and promotes ADK on the S/P/N, regional and international levels. The S/P/N level recipients are awarded \$500 and an EiE pin. The regional recipients are awarded \$1000 and an EiE engraved award. The International recipient is awarded \$5000 and an EiE engraved award. A nomination narrative is required for the member to be nominated. The nomination narrative can be provided by the applicant (self-nominated), a member or chapter designee. A nomination narrative includes why the person is a worthy candidate for this award and includes a statement regarding the relationship to the nominee. I encourage you who are active educators to apply. Information pertaining to the EiE award can be located on the International website under Membership > Awards & Recognitions > Excellence in Education Award. The application with nomination is now open. The deadline for application is November 1st.

Please let me know if you have any question.

State Altruistic Project - Foster the Love Supporting those affected by foster Care

Please take a few moments to email me at acdmor@gmail.com and let me know the most noteworthy foster support program you have found in your area.

Include your name and chapter along with the name of the program, program contact information, and what your chapter has done or is planning to do to support this program.

If you have pictures from your chapter's participation, please share those as well.

New Member Highlights

We already have some new and perspective members in some of our chapters. We will highlight them in this spot next month and each month after. Please send me names, short biographies, and photos when possible.

Remember to invite other educators to your meetings and go ahead and initiate them.
