

APRIL/MAY 2026
LOUISIANA
ALPHA DELTA KAPPA

Spring Has Sprung

Everything is so green and the flowers have started to bloom! The freshness and newness of spring is all around us.

Just like we see the newness of spring, we have started a new biennium with our state executive board. A full slate of officers was installed at our state convention in March. I know everyone is looking forward to the plans and new experiences on the horizon.

Altruism with Ways and Means raised \$2500 during the biennium. This money was split to support Foster the Love in Lafayette and Foster Care Family Appreciation in North Louisiana.

Our new and updated regional conference will be held in New Orleans in July. As the host state, we would love to have a large group of attendees. Please follow the links to register found in this newsletter. Plan to make it a wonderful trip with your chapter sisters.

Thank you once again for the honor of leading each of you through this past biennium. I know we will continue to build bridges and forge new friendships through our chapters, state, regional, and international endeavors.

In Sisterly Love,

Angie McEachern

WONDERFUL WEBINAR

Celebrating ITE Scholars: World Understanding and Educational Excellence

The recent ITE Scholars webinar showcased the talent and insight of our outstanding scholars. They shared captivating stories and information about their home countries and rich cultures in their slide presentations. During the panel discussions, they enlightened us to their life in the US and education plans and goals. Their enthusiasm and expertise made the session both informative and inspiring, offering fresh perspectives on world understanding and educational excellence.

This engaging webinar could easily become part of a chapter program, sparking meaningful conversations and connections across our Alpha Delta Kappa membership. If you're looking to broaden horizons and foster excellence in education, you should watch the recording and share it with your chapter members.
